

Healthcare Coverage Options

If you've recently lost your healthcare coverage because of job loss, income changes or life events like getting married, having a baby or moving, don't panic – **you have options:**

01

Visit **healthcare.gov** and create an account to look for health plans. You can see if you qualify for financial assistance to help you pay for your health plan.

02

Healthcare.gov will alert you if you're eligible for coverage through the state Medicaid program, based on your income. You can also visit **medicaid.la.gov** to see if you qualify.

03

If you are turning 65, or if you are 65 or older and lost healthcare coverage, you may be able to sign up for a Medicare plan.

04

Depending on your health status or needs, you may be able to get a short-term medical plan. Ask an agent about your options.

Go to **www.bcbsla.com** to connect with an agent or learn more about your healthcare coverage choices.
